

## The Emmental valley

Head off to the Emmental show diary on a FLYER e-bike

After you have had a look behind the production scenes at FLYER, our guide will take you over hills and through valleys to the Landgasthof where a delicious meal will be served in the former cow shed or on the terrace. After a short ride, you will visit the interactive «King's way» tour at the Emmental show diary, which will provide you with an insight into the history and production of Emmental cheese.
