Ride into your evening with us

Finished work? We have, too!  
Join us on the «FLYER e-mountainbike after-work ride».

On the first Tuesday of every month, we leave our everyday work routine behind and “pedal” through the hilly landscape of the Emmental valley, enjoying a delicious cold platter or even a *Cervelat* sausage grilled over the fire en route.

Everyone is welcome – women and men of all skill levels. Bring your own e-MTB or rent one of the latest FLYER Uproc models from our factory.
