

## Upstreet5 Anniversary Edition

### The exclusive and stylish bike

Exciting journeys should never have to end, and the Anniversary Edition of the best-selling Upstreet5 is the culmination of FLYER's first quarter of a century as the company continues to move stylishly into the future. The limited edition to mark the 25th anniversary is the quality flagship of many years of expertise and will appeal to retro fans.

- Limited to 1000 bikes, the Anniversary Edition is a genuine rarity.
- The numbering on the specially designed anniversary plaque can be chosen individually (number between 0 and 999).
- The timeless design scores additional points with exclusive and sophisticated special paint, while the polished surface finish of the premium components draws the eye to numerous details.
- High-quality components such as controls that are intuitive to use, the FIT D1 colour display, and the electronic Rohloff gears accentuate the bike's exclusivity.
- With a torque of 90 Nm, the Panasonic GX Ultimate provides record values in terms of assistance and a consistent power output.
- The semi-integrated 630 Wh FLYER SIB (Smart Integrated Battery) battery provides ample energy for extended rides.
