

Goroc2

The multi-faceted all-rounder

The Goroc2 is characterised by riding stability, comfort and propulsion. Suitable for everyday use, this impressively versatile all-rounder boasts a comfortable geometry with a low top tubing height, stable all-terrain tyres, and road bike features. The suspension fork with 120 mm suspension travel, strong disc brakes, and the powerful Panasonic motor with intelligent FLYER control allow adventures off the beaten track – even with luggage.
