

Goroc4

The multi-talented e-bike

Whether on your daily commute to work, an off-road ride after work, or a weekend outing with luggage, the Goroc4 can manage any kind of tour. With its sporty mountain bike genes and a powerful Panasonic motor with intelligent FLYER control, the fully-equipped premium Goroc4 is the ultimate all-rounder. The ultra-responsive full suspension with 140 mm suspension travel ensures ideal traction, comfort, and safety even on bumpy paths and at high speeds. The Goroc4 is also available as a high-speed version with pedal assist of up to 45 km/h.
