

Gotour5

The modern and comfortable e-bike

Go on extensive tours, master steep inclines without difficulty, and enjoy the highest level of comfortable and smooth riding. The second-generation Gotour5 is the new version of the legendary comfortable FLYER e-bikes of the C Series and T Series. The Gotour5 has been consistently designed for comfort with its upright seating position, height-adjustable handlebars with Speedlifter, and comfortable saddle. The stable low step-through frame guarantees a smooth ride and confident handling. Combined with the Panasonic motor of the latest generation that provides smooth and powerful assistance and the high-capacity battery designed for a long range, the Gotour5 guarantees endless riding enjoyment.
