

Upstreet4

The marathon athlete

The Upstreet4 just keeps on going. With a choice of two batteries and a battery capacity of up to 1125 Wh, the sporty commuter and touring bike is setting new records in terms of range. Equipped with the most powerful Bosch drive of the latest generation and premium features, this high-end bike is designed for frequent riders and discriminating e-bikers. The highest level of comfort is guaranteed over long distances by the comfortable sporty seating position and the frame designed for smooth riding. The Upstreet4 also sets standards in terms of safety: the Bosch e-bike ABS, which is available as an option, allows more controlled and more stable braking even in difficult conditions. The Upstreet4 is also available as a high-speed version with pedal assist of up to 45km/h for speedy commuting.
