

Goroc3

The multi-talented bike with full suspension

The Goroc3 is one of the most versatile e-bikes. The multi-talented e-bike with full suspension steals the show both in town and in the mountains. The battery capacity of up to 1125 Wh (with a DualBattery option) guarantees a massive range, which is ideal for endless tours and great differences in altitude. Equipped with high-quality mudguards, a rack, lights, and a bike stand, the Goroc3 is the ideal everyday companion. Once you leave paved roads behind, the full suspension and powerful Bosch Performance Line CX drive ensure comfortable and dynamic riding enjoyment. The Goroc3 is also available as a high-speed version with pedal assist up to 45 km/h. The Goroc3 explores the wide world on extended tours.

Bosch Performance Line CX / Performance Line Speed motor

The most powerful Bosch drive for ambitious riders provides up to 340 % assistance and 85 Nm torque for extremely sporty riding and powerful acceleration. The high-speed model is equipped with the Bosch Performance Line Speed motor, which provides 75Nm torque up to a speed of 45km/h.

Bosch Intuvia / Kiox display

The Intuvia offers ease of operation, self-explanatory handling and a display that is ideal to read whatever the lighting conditions. You have an ideal overview of all riding data at all times. The Kiox is the display for ambitious sporty riders. It shows comprehensive riding and training data, while providing access to the digital world via the smartphone app.

Double range

The battery capacity of up to 1125 Wh (with a DualBattery option) guarantees a massive range, which is ideal for endless tours and great differences in altitude.

Simple battery handling

The main battery, which is fully integrated into the down tube, can be removed in just two steps and charged externally.

130 mm full suspension

With its four-link suspension design and 130 mm of travel specifically optimised for e-bikes, the active chassis ensures optimal traction, comfort and control, also on bumpy paths and at high speeds.

27.5" x 2.35" mountain bike tyres

Mountain bike tyres with dimensions of 27.5x2.35 inches guarantee traction and riding safety even off road.
